Approval of Geller MicroAnalytical Laboratory in Topsfield, Massachusetts as a Commercial Calibration Laboratory (CCL) for Sandia National Laboratories

The approval of Geller MicroAnalytical Laboratory in Topsfield, Massachusetts as a Commercial Calibration Laboratory (CCL) for Sandia National Laboratories is effective as of August 25, 2010. The approval expires August 14, 2012 to coincide with the ACLASS accreditation expiration. At that time, the approval will need to be reviewed to verify that Geller MicroAnalytical Laboratory was able to retain its ACLASS accreditation.

The scope of the approval is for the calibrations listed in the ACLASS Scope of Accreditation.

All calibrations procured by Sandia National Laboratories from Geller MicroAnalytical Laboratory must be ACLASS accredited calibrations. All items calibrated by Geller MicroAnalytical Laboratory for Sandia National Laboratories must be managed through the Primary Standards Laboratory for data review, recall and records management, calibration cover certificates, and Sandia National Laboratories calibration labels.

The Primary Standards Laboratory reserves the right to survey Geller MicroAnalytical Laboratory at any time or in the event of substantive changes to their program. It is the responsibility of Geller MicroAnalytical Laboratory to notify us of any substantive changes in their personnel, methods, accreditation, etc.

Please refer any questions to Leroy Holmes, Primary Standards Service Center. Phone (505) 844-2240, fax (505) 844-4372, e-mail: lholm@sandia.gov.

Thank you for your cooperation and attention to this. We are looking forward to working with you in the future.

Respectfully submitted,
